

NON-PROFIT FUNDRAISING OPPORTUNITY

WHO? The Fountain Inn Civic Center for the Visual and Performing Arts is beginning its third season offering arts and cultural entertainment for the whole family. From musical theatre to comedy to dance, there is something for everyone.

WHY? We need to let our area know we are here and you have the foot patrol of volunteers who can reach neighborhoods, schools, churches, and more.

WHAT? We are offering two options for groups:

- **FINDER'S FEE:** It can be as easy as putting flyers out in mailboxes, going door to door, e-mailing your lists of contacts and all they have to do is say the "secret code" when purchasing their ticket and we will credit your organization with the **per ticket "finder's fee"** for helping us market a show. We can provide you with the marketing materials to be successful.
- **CONSIGNMENT SALE:** We will give you a block of tickets to sell on consignment at a reduced rate and you can keep the difference. We can provide you with the marketing materials to be successful.

LIMITS? We will NOT limit groups to the number of tickets they can sell but we will only allow one of each type marketing group per show to be a marketing partner and you can be a partner more than once. So get on our website, look at the upcoming season and sign up today!

TIME? Our first production is July 16th and then we have at least one type of performance each month through May 2011.
